FUNDRAISE & FLY FOR HOPE AIR

Support vital medical care for Canadians in financial need

Hope Air is Canada's only national charity providing free flights and accommodations for Canadians in financial need who must access specialized medical care far from home.

Over the last 35 years, Hope Air has completed more than 160,000 travel arrangements for patients from coast to coast.

As a Give Hope Wings pilot, you'll:

- ✈ Be part of a squadron of up to 50 aircrafts during this cross-Canada flying expedition in support of Hope Air
- ✈ Fly for one leg, multiple legs, or all of them in support of patients in need (between 200 and 5,000 nm)
- ✈ Challenge yourself to raise \$1 or more per nautical mile flown

It is easy to set up a personalized profile fundraising page so that each pilot can track donations raised from family, friends, colleagues and corporate sponsors. All donations over \$20 receive a charitable donation receipt

Other ways to get involved

If becoming an expedition pilot isn't your thing, you can still be a part of Give Hope Wings! Consider rallying your flying club and hosting an independent fundraiser in support of Hope Air, like a fly-in breakfast or BBQ, runway run, or flour-bombing competition.
